Draft — Privacy notice (WhatsApp guests)

DRAFT FOR REVIEW BY THE HOTEL'S LEGAL ADVISER.

First Class Lodge, [address], Korhogo, Côte d'Ivoire, is responsible for your data when you write to us on WhatsApp.

Virtual assistant: our replies may be written by a virtual assistant. Write "reception" at any time to speak to a person.

Data used: your name and WhatsApp number, your messages (including voice notes and their transcripts), the details of your stay and booking.

Why: to answer your questions, handle your booking requests, and send you messages about your stay (confirmation, reminder, thank-you). **Never advertising** without your consent.

Who can see it: our team; our technical provider (Mayura Consultancy Services); Meta (WhatsApp); artificial intelligence providers that draft, transcribe or translate replies. Never send us your card or ID number on WhatsApp.

How long we keep it: [to be defined, e.g. 24 months after your last stay].

Your rights: access, correction, deletion, objection. Write to [email address] or ask reception. You can also contact ARTCI.
